CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

Re: Non-issue of appointment orders to Candidates selected by the DLRC, Gulbarga

SRI GOVIND P. VADEYARAJ (Kamalapur).—Sir, I call the attention of the Minister for Education to the hardship caused to the candidates selected by D.L.R.C. Gulbarga due to non-issue of appointment orders

SRI B. SUBBAYYA SHETTY (Minister for Education).—Sir, wish to make the following statement.

For recruitment of Primary School Teachers in the Districts the popular Government constituted Recruitment Committees consisting of four officials and three non-official members. The Deputy Director of Public Instructions of the District was the Chairman thereof. This Recruitment Committee, which was formed under the Government Notification No.ED 174 DPI 76 dated 25th April, 1977 compulsorily consisted of a member belonging to Scheduled Caste or Tribe and one member belonging to the minority Community. The said District Recruitment Committee commenced the work of selecting the candidates after completing the formalities of processing the applications etc.

Immediately after dismissal of the popular Ministry and imposition of President's Rule, the then Government amended the said Notification and excluded all the non-official members in the Recruitment Committees and instructions were issued to the Chairman of the Recruitment Committees to proceed with selections of candidates, only with the help of official members. Accordingly, the Special Deputy Director of Public Instructions, Gulbarga who is the Chairman of the Recruitment Committee for Gulbarga District prepared a list of candidates for appointment as Primary School Teachers. The Government in their circular No.DPAR 1 SCR 78 dated 8-3-1978 issued

instructions that, pending further examination of the matter, the Chairmen of all the Recruitment Committees should suspend all recruitment work immediately. Instructions were also issued to the appointing authorities not to issue any appointment orders in respect of candidates selected by these reconstituted recruitment committees. The Special Deputy Director of Public Instructions, Gulbarga had not issued any appointment orders prior to 8-3-1978.

Government in their Notification No.DPAR 1 SCR 1978 dated 21-6-1978 have issued amendments to the Karnataka State Civil Services (Recruitment Committees) (Constitution and Function) Rules 1971 making, among other things, provisions for non-official members in the Committees not exceeding 4 to be nominated by Government of whom one shall be from among the persons belonging to any of the SC/ST. In respect of recruitment to any category of posts pending on the 12th day of January, 1978 all action taken (including preparation and publication of a list of selected candidates) by the recruitment committee subsequent to the stage receipt of application are annulled; provided that nothing in this clause shall affect any appointment made prior to the date of commencement of these rules, in pursuance of a list of selected candidates published on or after such date. In respect of recruitment to any category of posts commenced after 12th day of January, all action taken by the recruitment committees subsequent to the stage of receipt of applications are annulled.

Necessary action to amend the Karnataka Education Department Services (Department of Public Instruction) (Recruitment) Rules, 1967 including the reconstitution of Recruitment Committees is being taken on the above lines.

SRI GOVIND P. VADEYARAJ:—Sir, I am sorry, the Government have not realised the seriousness of the situation prevailing in Gulbarga district. I listened to the statement of the Hon'ble Minister with rapt attention. The situation is like this: the District Level Recruitment Committee conducted interviews and selected the candidates. I have photostat copies of selection orders issued to the candidates. I am sending the same to the Hon'ble Minister through you, Sir. The department has sent orders saying that they have been selected, on 4-3-1978. The Government has issued instructions to all the Deputy Directors of Public Instruction in the State probably, on 8th March 1978 not to issue appointment orders, i.e., four days after the D.D.P.I. Gulbarga, had intimated them that they have been selected. On 4th March 1978 the department has issued official letters to the candidates selected for the posts of primary school teachers. What prevents Government from issuing appointment orders to those selected candidates?

SRI B. SUBBAYYA SHETTY.—The Notification dated 8th March 1978 is very clear regarding appointment orders. This question does not pertain to Gulbarga district only; it pertains to all other districts. From Gulbarga we have received many complaints against the recruitment made stating that selections were made of other community candidates saying that they are Scheduled tribes. That is one allegation which we have received. Some other allegations of corruption have also been made. I cannot say whether they are true or not. We are looking into it. If in the name of Scheduled Castes and Scheduled Tribes somebody else is taken, it will be a great injustice. That is why we have not yet issued the appointment orders as such, we are examining the matter and we will do the needful at the earliest.

SRI GOVIND P. VADEYARAJ.—On 8th March 1978 Government issued instructions. This order of the Government of 8th March is not retrospective; it is only prospective. Therefore, those orders apply only to cases or the Committees that are functioning on or after 8th March. The Order does not apply to the recruitment already finalised before 8th March. The Hon'ble Minister stated that there were some allegations. Wherever there are allegations, the Government is there to enquire and take proper action. During the President's Rule, the validly constituted District Level Recruitment Committee finalised these selections taking into consideration the relevant Government orders regarding reservation to SC/ST and other backward communities, and about 500 to 600 candidates were selected following the rules and regulations in force. In fact, everything was finalised according to Government rules. No Government officer can go against the reservation orders. During the President's Rule the Special D.D.P.I. Gulbarga, followed all the rules and regulations and gave representation to SC/ST people also and finalised the entire thing. When the whole thing was validly finalised, why Government is acting against the order finalised by the Special D.D. P.I. Sir, yesterday the Hon'ble Minister for Education answered on the floor of this House that they are very serious of giving employment opportunities to the teachers under half-a-million job Programme.

600 teachers have already been selected. There are primary schools which are not having teachers for the last two years. The academic year has commenced on the 1st June and today is the 7th June. It is not only the schools that are suffering but also the teachers who have been validly selected have been suffering. Wherever the interviews are finalised and the candidates selected, they may be issued with appointment orders. The Government is neither making their order clear nor allowing the candidates to have appointment

orders. I want to know from the hon. Minister, taking into consideration all these facts, whether they are going to issue a revised order or not.

1-30 P. M.

SRI B. SUBBAYYA SHETTY.—It is very clear from what I have already stated that if the appointment orders are issued, then the chapter is closed. In this case the issue of a revised order does not arise at all. If the appointment orders are issued, we are not going to touch; if the appointment orders not issued, we are not going to issue further appointment orders. That is the position of the Government.

Regarding candidates going to High Court, it is left to the discretion of the candidates so selected.

Another question which has been raised is regarding reconstitution of the Recruitment Committees. Here I would like to submit one thing. When the popular Government comes, it becomes a policy with the government to involve non-officials in the selection of teachers. That is why these committees were formed and non-officials are found there. In the previous Committees there were 4 officials and 3 non-officials. Now those committees reconstituted retaining the former four official and 3 non-officials have been removed. I would like to ask whether the former committees are better or the present constituted committees are better. Among these non-officials, we have deliberately put one SCs or STs member so that their interests could be protected. When I saw the allegations coming in that in the name of SCs somebody else have been recruited. That shows that the actions of the SCs members in the recruitment panel has worked against the interests of the SCs. So, it is the policy of this government that the SCs members should be present in these recruitment committees.

Another matter is, the Hon'ble Member has said, he did not say that it is an appointment order, he has said intimation of selection. What surprises me is, there is no procedure for intimating the selection as such after selection; after selection only appointment orders are issued. This intimation of selection is made when the procedure was not there. Will the House come to the conclusion or whether doubts would be raised why such a undue haste is made on the 4th March intimating the selection when it is not laid down in the procedure. One can see the motive behind it. There are a lot of allegations made against the selections and corruption has been alleged in recruitment.

That is why all the more I am convinced that we must go into the root of the causes and see the motive behind all these sort of selection and non-procedural methods adopted in this case.

SRI GOVIND P. VEDEYARAJ.—We are nothing to do with the procedure. We are concerned only with the fact that validly constituted DLRC has selected the candidates. When there are allegations are free to make inquiries and reconstitute the committees. We do not come in your way. You can take any action you deem fit under the circumstances. Our concern is, since there are no teachers in the primary schools, neither the government is finalising the list of teachers nor they are allowing the DDPI to issue appointment order to candidates already selected. That is why there is terrible confusion in the minds of the people. I am not questioning the functioning of the Department but I am concerned only with the validly selected candidates lists which should be given effect to. By all means you can enquire into the matter but I want you to do something in posting the teachers to the schools.

SRI B. SUBBAYYA SHETTY.—I agree.

SRI QAMARUL ISLAM.—There is no difficulty in respect of Raichur, Bellary and Bidar Districts. There is difficulty only in respect of Gulbarga District. It is only the Gulbarga District candidates who have been selected on the 4th March have not been issued the appointment Orders. On 8th March 1973 the government has sent a letter stating that pending further examination of the matter, the Chairman of the Recruitment Committee should suspend all recruitment work immediately. It is also clear from the order that instructions have been issued to the appointing authorities not to issue the appointment order. It is clear from the order that list which is finalised will not come in the way. On the 6th of this month the members have set up an action committee and a letter is sent to the Chief Minister and to the government stating that we have been informed by a reliable source through a recent government circular to fill up the vacancies of primary school teachers by appointing local candidates forgetting the DLRC list. From the DPI's circular it is clear that they want to appoint local candidates against the selected candidates. I want to know from the government whether such a circular has been issued by the DPI or not. Secondly, Sir for the last two years we are not having teachers. Only yesterday the House has discussed that the students are not getting the text books. Our Gulbarga schools are not having teachers and the text books. So, the students are not getting any education from the schools. I want to get a specific reply from you whether you are going to recruit persons trained under the half a million job programme? You can make an

inquiry re. the complaints of the SCs and the STs. The Law Minister has said that some Lingayat community people and even some Brahmins have obtained certificates of SCs. Let such cases be investigated and if you find there is some truth, you can quash their appointments. I want a specific reply in this behalf because some trainees are on hunger strike for the last four months.

SRI B. SUBBAYYA SHETTY.—Sir, Hon. Member has confused the issue regarding half-a-million job candidates and this issue. It is not similar. I agree with hon. Member Sri Vadeyraj about the allegations which will also be enquired into and I will go into the legal complications and consider what he has suggested.

Another point I would like to make is this. This cannot be decided by hunger-strike.

ಶ್ರೀ ಅಣ್ಣರಾವ್ ಭೀಮರಾವ್ ಪಾಟೀಲ್.—ಎರಡು ವರ್ಷಗಳಿಂದಲೂ ಗುಲ್ಬರ್ಗಾ ಡಿಸ್ಟ್ರಿಕ್ಟ್ ನಲ್ಲಿ ಟೀಚರ್ಸ್ ಇಲ್ಲದೆ ಬಹಳ ತೊಂದರೆಯಾಗಿರುತ್ತದೆ. ಜಾಗೃತೆಯಾಗಿ ನೇಮಕ ಮಾಡಲು ವ್ಯವಸ್ಥೆಯನ್ನು ಮಾಡುತ್ತೀರಾ ಎಂಬುದನ್ನು ಹೇಳಬೇಕು.

ಎರಡನೆಯದಾಗಿ ಷೆಡ್ಯೂಲ್ಡ್ ಕ್ಯಾಸ್ಸ್ ಮತ್ತು ಷೆಡ್ಯೂಲ್ಡ್ ಟ್ರೈಬ್ಸ್ ನಲ್ಲಿ ಕಾಡುಕುರುಬರು 30-40 ಜನರನ್ನು ಸೆಲೆಕ್ಷನ್ ಲೀಸ್ಟ್ ನಲ್ಲಿ ಸೇರಿಸಿ ಪಬ್ಲಿಷ್ ಮಾಡಿದ್ದಾರೆ. ಏತಕ್ಕಿಂದರೆ ಲೀಗಲ್ ಆಗಿ ಕಾಂಪ್ಲಿಕೇಶನ್ ಬರುತ್ತದೆಂದು ಆರ್ಡರ್ ಇಷ್ಯೂ ಮಾಡಿದ್ದಾರೆ. ಷೆಡ್ಯೂಲ್ಡ್ ಕ್ಯಾಸ್ಸ್ ಮತ್ತು ಷೆಡ್ಯೂಲ್ಡ್ ಟ್ರೈಬ್ಸ್ ಗೆ ಈವತ್ತಿನದಿವಸ ಸ್ಪೆಷಲ್ ರೆಕ್ರೂಟ್ಮೆಂಟ್ ಮಾಡಬೇಕು ಎಂದು ಕಷ್ಟಪಟ್ಟು ಮೂರು ಸಾವಿರ ಜನರಿಗೆ ಉದ್ಯೋಗವನ್ನು ಕೊಡಬೇಕೆಂದು ಆರ್ಡರ್ ಇದ್ದರೂ ಗೌವರ್ದರ್ ರಿಜಿಮ್ ನಲ್ಲಿ ದುರುಪಯೋಗ ಮಾಡಿಕೊಂಡಿದ್ದಾರೆ. ಇದನ್ನು ಹೇಗೆ ಸರಿಪಡಿಸುತ್ತೀರಿ ಎನ್ನುವುದನ್ನು ತಿಳಿಸಬೇಕೆಂದು ಹೇಳುತ್ತೇನೆ.

SRI C. M. ARUMUGAM.—So far as legal complication is concerned if non-SC has produced SC certificate and secured the appointment whether that appointment order or intimation order stands? With the connivance of the officers if a non-SC produced a certificate and secured a job it is not legal. If they produced bogus certificates, you take action against the candidate and also against the officer. In this respect I want to make a submission. There are some persons who produces SC certificates and secured jobs. I have received such cases from ITI, HAL, LRDE and BEL factories. There is one Cell in the Department. Probably, they are sleeping over the matter. That means, seats meant for the poorer sections of the community is taken away by these people. Even if they issued the appointment order, they can cancel that order and take action against the candidate.

SRI GOVIND P. VADEYARAJ.—Nobody on the earth can come in the way of reservation order. The question is, as Mr. Arumugam pleaded, if a non-SC candidate produced bogus certificate I am one in asking to take action not only against the officer, but also against the person who produced that certificate. If you feel that some people have produced bogus certificates and somehow managed to get jobs then you have to take action in those cases. You prosecute the Deputy Director, concerned persons and any other officer who is responsible for it. I request you to issue appointment orders at least to general candidates to teach students there. In the interest of the education you take appropriate action in this matter. General candidates who are selected—why can't you send them to teach?

SRI B. SUBBAYYA SHETTY.—Sir, I shall consider the suggestions made by hon. Members—Sri Arumugam, Mr. Kharge and Mr. Vadeyraj immediately and do the needful.

(ii) *re : inadequate quota of buses in Gulbarga District.*

SRI PRABHAKAR TELKAR (Chitapur).—Sir, I call the attention of the Minister for Transport and Tourism to the hardship caused to the public due to inadequate quota of buses in Gulbarga Division.

SRI R. GUNDU RAO (Minister for Transport).—I wish to make the following statement—

Gulbarga District is one the twelve operating divisions of the Karnataka State Road Transport Corporation.

This Division has under its jurisdiction, four Depots viz., Gulbarga-I, Gulbarga-II, Yadgir and Humnabad, for operation of services. This Division is holding 191 vehicles for operation of 163 schedules. The fleet held which is inclusive of 17% spare vehicles, is
